

UNITED STATES OF AMERICA  
POSTAL REGULATORY COMMISSION  
WASHINGTON, DC 20268-0001

Statutory Review of the System for  
Regulating Rates and Classes for  
Market-Dominant Products

Docket No. RM2017-3

**STATEMENT OF SUPPORT OF THE ASSOCIATION FOR POSTAL COMMERCE  
FOR THE MOTION OF MPA—THE ASSOCIATION OF MAGAZINE MEDIA AND  
ALLIANCE OF NONPROFIT MAILERS FOR  
RECONSIDERATION OF ORDER NO. 3763**

(February 7, 2017)

On February 6, 2017, MPA-The Association of Magazine Media (“MPA”) and the Alliance of Nonprofit Mailers (“ANM”) moved for the Commission to reconsider Order No. 3763, in which the Commission denied the January 17 and January 25 motions of MPA and ANM for issuance of information requests. The Association for Postal Commerce (“PostCom”), which joined with MPA and ANM in their January 27, 2017 reply to the Postal Service’s opposition to MPA and ANM’s motion for information requests, supports the request for reconsideration. The information MPA and ANM seek is critical to the Commission’s review of the Postal Service’s performance under the current system of ratemaking, and informed decision-making requires that the Commission obtain this information and allow parties to comment on it, whether through the requested information requests or other means. PostCom therefore respectfully requests that the Commission reconsider Order No. 3763.

Respectfully submitted,
